

Children's Cancer Fund
**20th Annual Beyond the Rainbow
Luncheon and Fashion Show**
Friday, March 28, 2008

About Us

Children's Cancer Fund was founded in 1982 by a coalition of parents whose children were receiving cancer therapy at Children's Medical Center Dallas. CCF is a tax-exempt public charity that raises funds to support pediatric oncology research in the North Texas area. The Children's Cancer Fund is celebrating 25 years of caring and achievements for children with cancer.

The Children's Cancer Fund is dedicated to finding a cure for childhood cancer by providing funds to the Center for Cancer and Blood Disorders at Children's Medical Center Dallas and The University of Texas Southwestern Medical Center at Dallas for programs and research relating to the prevention, treatment and cure of childhood cancers, and to improving the quality of life for pediatric cancer patients and their families.

CELEBRATING 25 YEARS IN STYLE!

We are celebrating our 20th Annual "Beyond the Rainbow" Luncheon and Fashion Show benefiting Children's Cancer Fund. The fashion show will feature children undergoing treatment for cancer at Children's Medical Center Dallas escorted down the runway by sponsors and celebrity guests such as Darren Woodson, Roy Williams, The Toothfairy, Drew Pearson, and many more. With over 1,300 guests, the show will be packed with energy and smiles and these children will capture the hearts of all. Our silent and live auction each year are incredible and play a major part in the success of this event. Every donation is tax deductible!
